# 2023 ASDAN MUN EXpo

## Invitation Letter

Dear Delegates,

Welcome to the **2023 ASDAN MUN Expo!**

As the first offline ASDAN MUN conference after covid-19, we are thrilled and excited to meet you all at **AMUN!** Under our mission "Global Outlook, Future Leaders", AMUN hopes to provide students with a unique opportunity to engage in in-depth discussions on a range of global hot topics, enhance the understanding of international relations, practice methods of addressing global issues in a simulated UN environment, and showcase public speaking, negotiation, and diplomatic skills. Additionally, delegates will have the chance to exchange ideas and learn from outstanding students from around the world!

This year, AMUN will feature **four major global sub conferences**, including the **MITMUNC, ILMUNC, and TEIMUN**. We'll also set the **"MUN Refugee Challenge"** venue, which is beloved by MUN lovers and offers Chinese delegates an exclusive platform to delve into refugee affairs. With the support of elite dias from both domestic and international MUN, AMUN will provide delegates with a unique conference experience through **rich committee and topic settings, innovative social activities, and deep communication platforms.**

We look forward to your valuable international cooperation and communication experience at AMUN! **See you in AMUN!**

## Introduction

Hosted by ASDAN China, AMUN will bring together prestigious universities such as **Massachusetts Institute of Technology, University of Pennsylvania, and the European International Model United Nations**, as well as global elite representatives. It will provide MUN lovers with a more professional and diverse platform for showcasing their skills.

AMUN aims to equip young people with more knowledge of international politics, familiarity with the rules and operations of UN agencies, enhanced negotiation skills and language proficiency, and ample opportunities to communicate with distinguished chairs and representatives from top schools. This will serve as a solid foundation for their future social and global engagement.

**Date: August 6-9, 2023**

**Location: Shanghai**

**Language: English**

## Sub conferences

### ● MITMUNC

**MIT Model United Nations Conference**, short for MITMUNC(QS Top 1st), as one of the highly academic senior high school MUNs of the US, features committees of around 30 delegates, giving participants more opportunities to speak and communicate with Chairs.

### ● ILMUNC

**The ILMUNC** organized by the University of Pennsylvania(member of Ivy League) attracts more than 3000 participants around the world every year. It is famous for its high academic quality and innovation, cited for "the Tournament of Championship".

### ● TEIMUN

**TEIMUN** is the oldest MUN conference in the Netherlands and continental Europe, with over 35 years of experience. TEIMUN has its home in the Hagu, the so-called International City of Peace and Justice.

Supporting

### ● MUN Refugee Challenge

**UNHCR Model UN Refugee Challenge** is a program launched by UNHCR and it is one of the few Model UN activities directly supported and guided by the UN and is highly influential.

\*The above is subject to change, please pay attention to further committee information.

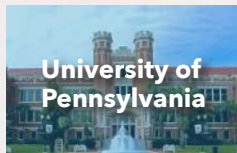

# WHY

## Why ASDAN MUN Expo ?

# AMUN

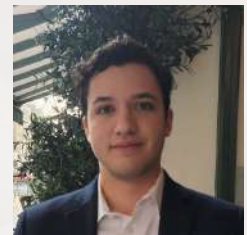

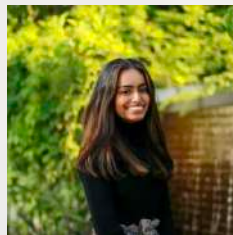

### 4 Global Sub-conferences

AMUN is going to set up five major sub-conferences and invite the Model United Nations teams from **Massachusetts Institute of Technology, University of Chicago, University of Pennsylvania, and European International Model United Nations** to jointly organize this MUN event! At the same time, the organizing committee will also set up the "**MUN Refugee Challenge**" conference, a dedicated platform for Chinese representatives to delve into refugee affairs!

### Professional Dias from World Top Universities

AMUN will invite chairs from prestigious universities such as Massachusetts Institute of Technology(**QS Top 1**), University of Pennsylvania(**QS Top 13**), and top universities in Europe to co-host this summit with elites from both domestic and foreign regions. You can experience the academic atmosphere of world-renowned universities up close, get in touch with senior students from these schools, and feel the power of role models!

## Rich Committee and Topic Settings

AMUN has carefully selected committees and topics that are broad yet complex so as to inspire great debates. Participating delegates can choose topics of interest to engage in in-depth communication with outstanding delegates from across the country. Under the guidance of the chairs, they can explore global affairs, enhance their analytical, speaking, debating, and negotiating abilities!

### Politics

War and conflict, refugee crisis, human rights issues, terrorism, nuclear weapons, etc.

### Economics

Globalization, trade agreements, economic cooperation and development, etc.

### Society

Education, cultural diversity, gender equality, health care, poverty and social injustice, etc.

### Environment

Climate change, biodiversity, forest protection, marine pollution, etc.

### Technology

Artificial intelligence, life sciences, network security, data privacy, robotics, etc.

## Innovative Social Activities

AMUN will have interesting and innovative social activities, such as sharing session, talent show, etc. In addition to the intense conference exchanges, delegates can communicate with delegates from all over the country about life and learning, gain valuable friendships, and establish lifelong connections!

## Professional Pre-conference Training

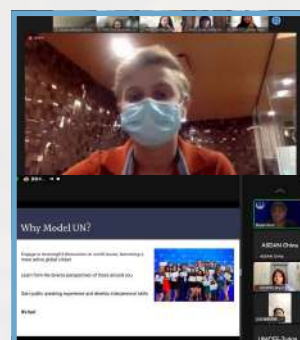

AMUN will provide interdisciplinary academic assessment, periodic Quiz, pre-conference training courses, and complete academic material packages to help delegates open their minds, learn how to write position papers, and understand the rules and procedures of Model United Nations. Even if you are a MUN beginner, you don't need to be afraid!

• Academic Resources

• Quiz

• Professional Training

## Exclusive Personal Reports and Official Certificates

Participating delegates will obtain official electronic version participation certificates, and outstanding delegates have the opportunity to win different awards, effectively enhancing their personal background and helping with admission to top universities!
