# *Kids Jazz Dance K3-5*

Jazz dance is a vibrant art form that combines African, ballet, and modern dance elements. With upbeat music and fast-paced movements, it's perfect for 3 – 5-year-olds. Kids can enhance coordination and rhythm while enjoying improvisation and the fun call-and-response format. Rooted in traditional African dance styles, it offers both cultural learning and physical development. Let your child experience this exciting dance adventure!

# *Kids Jazz Dance G1-3*

Jazz dance is an ultra-exciting rhythmic adventure! Follow the music, "defeat" the beats with cool kicks, glide through the melodies nimbly, and even have impromptu dance battles with friends! As you keep dancing, you'll find yourself brimming with strength and confidence!
