VICTORIA

2026 Victoria International Summer Program

About Us

Victoria International Summer School is officially accredited by the Ministry of Education of British Columbia (BC), Canada and administered by the Greater Victoria School District. Operating international education programs since 1992, it is hosted at top-rated public high schools and the Uplands Campus Education Centre, with full access to premium teaching resources and safety management systems.

VICTORIA: CANADA'S PACIFIC JEWEL

Victoria is located on the southern tip of Vancouver Island and is a short ferry ride from Seattle and Vancouver. It has been ranked as one of the top 10 most beautiful cities in the world.

Canada

Rich with culture, history and active living

Situated at the south end of Vancouver Island off the west coast of Canada, Victoria is a medium-sized city of 360,000 with a distinct European flavour and is home to some of the finest scenery and recreational activities anywhere in the world. As the second largest city on Canada's west coast, Victoria is also rich in maritime history and tradition.

Victoria is easily accessed by direct flight into its international airport or by a short ferry ride from Vancouver, British Columbia or Seattle, Washington.

Year-round moderate climate and outdoor recreation

Victoria boasts the mildest climate in Canada. Temperatures seldom exceed 25 degrees celsius in summer and rarely dip below freezing in winter. If snow comes, it is greeted by locals as a novelty. February often marks the start of spring and with much less precipitation than other nearby areas, Victoria ranks among the sunniest cities in Canada.

Victoria's mild winters allow residents to pursue a variety of outdoor activities throughout the year, such as golf, rowing, hiking, sailing and cycling.

Advanced learning, world-class sports, entertainment and culture

Victoria is a safe city where government, the arts and advanced learning are major activities. The city has two renowned universities and a college, a world-class museum, IMAX theatre, a symphony, professional theatre companies, and a major regional art gallery.

Victoria has semi-professional soccer, hockey, baseball and lacrosse teams and is also home to world-class Olympic athletes in rowing, rugby, field hockey, diving, cycling and triathlons. With its modern 7,000 seat sports and entertainment venue, Victoria attracts major concerts and other sports-entertainment events.

Our city is clean, quiet and friendly – the perfect place to study and experience Canadian culture.
