- Home learning: Students are encouraged to read on a regular basis in addition to the activities the homeroom teacher provides.
- As an IB school, subjects in PYP are transdisciplinary. Students will have stand alone math and literacy times, but will have the opportunity to learn literacy and math through their UOI and vice versa.
- Snacks are provided by families. Suggested snack items include: cut and peeled fruit, raw vegetables, crackers and cheese, dried fruits, or a granola bar.
- Specialty and homeroom teachers collaborate on aligning Units of Inquiry.
- Guidance lessons are provided on a monthly basis.
- UOI - Unit of Inquiry.
