•MYP operates on a two week rotation schedule.

•Home learning: Students are encouraged to read on a regular basis in addition to the activities the teachers provide. ISNS encourages parents to inquire of their children regarding the skills they utilize on a daily basis.

•At ISNS, MYP hour is a vehicle that is utilized to up skill our students. Each week, students will be immersed in projects, academic skills and social-emotional well-being activities. This allotted time provides our students the skills they need to be successful students and lifelong learners.
